A Message From Betty Graham, President and COO of Coldwell Banker Residential Brokerage in Greater Los Angeles:

Congratulations to Ron Wynn, Steve Sawaii, and Fiora Aston on their collaboration as WSA Partners. As part of the Coldwell Banker Previews International® program, WSA Partners offers Westside buyers and sellers the power of a “brand within a brand.” The team brings the stability of one of America’s most enduring companies, a luxury marketing program with the most extensive online and international brokerage network in the world, and 85 years of combined experience representing world-class homes and estates.

Individually, Ron, Steve, and Fiora have built sterling reputations based on the results they’ve been able to achieve for their clients. They each boast many accolades and business achievements between them. However, their success today would not have been possible without the strong relationships they have built with their agent and broker colleagues over the last few decades. I have no doubt that they will continue to nurture and value those relationships in their new partnership. The brokerage community can expect the same spirit of collaboration, respect, integrity, and make-it-happen work ethic that has defined these three real estate agents throughout their careers.

I can personally attest to the fact that WSA Partners is delighted to be a part of the Santa Monica and Montana Avenue community, working in a neighborhood they know and love. It’s part of what makes them so strong as a partnership. They have stated that their mission is “to collaborate and combine their many years of knowledge and experience with the commitment to process information and apply it to the best interests of the clients.” Their local market expertise, established professional network, and depth of resources from Coldwell Banker make for an extraordinary full-service real estate experience on the Westside. Please join me in officially welcoming WSA Partners to the Coldwell Banker family.

Sincerely,

Betty Graham
President and COO of Coldwell Banker Residential Brokerage in Greater Los Angeles
